

In re of: ZILBERMAN1

REMARKS

Claims 1-14, 22, 24 and 32 presently appear in this case. The above amendment to the claims are being made to place the claims into better condition for examination.

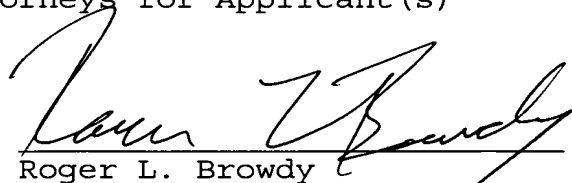

In the specification, the text has been amended to augment the Summary of the Invention section and to add an abstract.

Prompt consideration on the merits and allowance are earnestly solicited.

Respectfully submitted,

BROWDY AND NEIMARK, P.L.L.C.
Attorneys for Applicant(s)
